and Street Furniture*

Static Bollard Solutions Are Moving Forward With Bollards2u.

As suppliers and installers we are able to offer static bollards in almost any design, to match existing traditional street furniture or to create a modern environment for an area.

The Bollards2u range of static bollards leads the way forward. Unobtrusive, aesthetically pleasing and incredibly strong, they provide a genuine deterrent and are ideal for applications where a permanent pattern of control is required. With a variety of individual designs, materials and eye catching finishes to choose from, you can rely on Bollards2U static bollards and street furniture to integrate seamlessly with all modern streetscapes and architectural styles.

We offer a variety of bespoke static bollard designs in a range of materials and aesthetically appealing finishes as partnered with English Heritage at Somerset House and Crown Estates for Kensington Palace. We ensure that our systems will integrate seamlessly with all modern streetscapes and architectural styles, whilst providing a visual deterrent and an impassable obstacle for unauthorised drivers.

Bollards2u combines the unique expertise, innovative approach and personal attention to detail. The result is the provision of powerful yet individual solutions for a wide range of security and street furniture applications.
