

Bus Shelters

Typical style of bus shelter that can be manufactured by Ace

For a number of years Ace have been supplying bespoke bus shelters for a number of our customers. They have been supplied to among others major retailers Our shelters are made from Aluminium extrusion and the glazing is solid polycarbonate.

Our flexibility at Ace allows us to offer a full Corporate Colour options.

We can also manufacture and supply many allied products such as Time Table Cases Bus Stop Poles, Flags and skirting boards. We can also supply customer help points with integrated Display features.

We are currently working on new designs for solar powered bus shelters.

As with all our shelter products we have the facility to offer a fully installed option along with maintenance and aftercare.

NB: the shelter in the picture was not manufactured by ACE.

Bollards2u combines the unique expertise, innovative approach and personal attention to detail. The result is the provision of powerful yet individual solutions for a wide range of security and street furniture applications.
