

Cycle Shelters

Ace Cycle Shelter

The picture shows a double shelter approx. 8400x2520 supplied in York. Probably the strongest shelter available in its price range. Our most popular Cycle Shelter.

Product	Colour
2520x3100 (10 station)	Blue, Yellow, Green, Orange, White, Silver, Black, Red
2520x4200 (15 station)	Blue, Yellow, Green, Orange, White, Silver, Black, Red

Cycle screen

Reduce cycle thefts and vandalism on your site with this cycle shelter. Tough and scratch resistant polycarbonate roof not only shields cycles from the elements, it also maximises visibility making it difficult for anybody to tamper with cycles unseen.

The cycle shelters are supplied with or without a Large Linear Cycle Rack which simply bolts to the frame. The heavy duty 2mm mild steel construction is protected from the rigours of the weather by a corrosion resistant epoxy-polyester coating. Cycle shelters are supplied flat packed and are easily assembled onto a prepared concrete base or concrete pads.

Bollards2u combines the unique expertise, innovative approach and personal attention to detail. The result is the provision of powerful yet individual solutions for a wide range of security and street furniture applications.

Budget Steel Cycle Shelter

This cost effective model provides a sheltered area for the storage of bicycles. Ideal for locating against walls or buildings. Supplied complete with weather resistant plastic coated steel cladding. The cladding helps the shelter to fit in architecturally with commercial buildings and effectively resist the rigours of UV rays. Supplied complete with cycle rack storage of 7 bicycles. Available in three frame colours: green, black or blue and two cladding colours: blue or grey.

Product	Colour
Blue Cladding 3900x2300x2000mm	Blue, Green, Black
Grey Cladding 3900x2300x2000mm	Blue, Green, Black

Cycle Shelters

Steel Cycle Weatherclad Shelter

Ideal shelter for designated sites that have to withstand the full impact of the elements. The additional panels provide an effective screen against rain, sleet and snow. The plastic coated cladding helps the shelter to fit in architecturally with commercial buildings and effectively resist the rigours of UV rays. Supplied complete with cycle rack for storage of 7 bicycles. Available in three frame colours: green, black, blue and two cladding colours: blue or grey.

Product	Colour
Blue cladding 3900x2300x2000	Blue, Green, Black
Grey cladding 3900x2300x2000	Blue, Green, Black

Steel Combi Shelter

Enclosed protection for different types of cycle transport. This shelter provides comprehensive protection against the elements and can discreetly conceal stored cycles if strategically positioned.

Supplied with weather resistant plastic coated steel cladding. Available with or without five-cycle rack for maximum storage flexibility. Choose from two cladding colours.
